Mechanical breakdown or electrical failure to pressure, mechanical or electrical machinery and equipment does not mean any:
1. Malfunction including but not limited to adjustment, alignment, calibration, cleaning or modification;
 2. Leakage at any valve, fitting, shaft seal, gland packing, joint or connection;

- E.** We will not pay for loss or damage (hereinafter referred to as loss) in any one occurrence until the amount of loss exceeds the Section I – Property deductible shown in the declarations for any loss to Covered Property caused by mechanical breakdown or electrical failure.
1. With respect to the dollar deductible shown in the declarations, we will first subtract the deductible amount from any loss we would otherwise pay. We will then pay the amount of loss in excess of the deductible up to the sub-limit shown in the Schedule.
 2. If a time deductible is shown in the schedule, we will not pay for any Business Income loss that occurs during that specified time period immediately following a mechanical breakdown or electrical failure. If a time deductible is shown in days, each day shall mean twenty-four consecutive hours.
 3. If two or more deductibles apply to a loss involving both a cause of loss covered in this endorsement and another cause of loss covered in this policy for a single occurrence, then the total amount to be deducted will be only the largest of the applicable deductibles.

1. "Computer" means:

- a. Programmable electronic equipment that is used to store, retrieve and process data; and
- b. Associated peripheral equipment that provides communication, including input and output functions such as printing and auxiliary functions such as data transmission.

"Computer" includes those used to operate production type machinery or equipment.

G. With respect to **Additional Coverages 5.f. Business Income** and **5.g. Extra Expense**, if the 72-hour time period in the definition of "period of restoration" (hereinafter referred to as waiting period) is amended for Equipment Breakdown Protection Coverage as shown in the Schedule, we will not pay for any Business Income loss that occurs during the consecutive number of hours shown as the waiting period in the Schedule immediately following a mechanical breakdown or electrical failure.

As respects the coverage provided by this endorsement, any waiting period shown in the Schedule for Equipment Breakdown Protection Coverage supersedes any waiting period otherwise applicable to the Business Income coverage provided by the Businessowners Coverage form.

H. The provisions of this coverage shall not increase any amount or Limit of Insurance that is otherwise provided in this policy. The most we will pay for any loss or damage for Equipment Breakdown Protection is the amount of the sub-limit shown in the Schedule of this Endorsement.

I. Whenever any covered pressure, mechanical or electrical machinery and equipment is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment. This can be done by delivering or mailing a written notice of suspension to:

1. Your last known address; or
2. The address where the pressure, mechanical or electrical machinery and equipment is located.

If we suspend your insurance, you will get a pro rata refund of premium. But the suspension will be effective even if we have not yet made or offered a refund.
